HORSEKIN

FOR THOSE WHO BELONG WITH HORSES

Grooming Kit Checklist

A practical reset for the tools you already own.

Horse: _____ Date: _____

01 Check your everyday tools

- ☐ Curry comb suited to your horse
- ☐ Dandy / stiff brush
- ☐ Body / soft brush
- ☐ Mane and tail brush or comb
- ☐ Hoof pick
- ☐ Clean cloths

Adapt this list to your horse and your established care routine.

02 Give everything a home

- ☐ Keep this horse's tools together in a labelled kit.
- ☐ Give the hoof pick a dedicated, easy-to-find pocket.
- ☐ Keep clean cloths separate from used or dirty items.
- ☐ Store closed, clearly labelled bottles upright.

03 Reset before you put it away

- ☐ Set aside anything that needs cleaning or inspection.
- ☐ Follow the maker's cleaning and drying instructions.
- ☐ Return dry tools to their usual places; note what is missing.
